## CANDY BAR & DINER

## Fondue Rules...

**F**eed your date a marshmallow. Miss their mouth? You owe them another cocktail!

**O**nce you drop a marshmallow in the fondue, the next drink is on you!

**N**ot the best look if you drop food on your top. Remove a piece of clothing as your punishment - but don't take it too far... come on, we're all still eating!

**D**rop a strawberry in the fondue? Pucker Up! You owe your date a smooch.

**U**sed up the cocktail before the fondue? Looks like a night in Lulu for you!

**E**arn yourself some brownie points and tell your date what you like most about them... who knows, you could share more than just a fondue!
